A LANGUAGE SURVIVAL KIT

Comenius Project

2010-2012

Knowing Europe Through an Educational Business

The idea of the project is the following:

- setting up a virtual tour operator working in all the partner regions;
- getting information regarding procedures to follow in order to open this activity;
- creating contacts

with
business
organizations
who will
play the role
of
consultants
and will give
advice
regarding
how and
where to set
up the
business;

- getting
information
regarding
the partner
regions as
to the
following
fields:
business;
art/culture;
cuisine/folklore;
nature;
religion and
health;
- creating a
multimedia
product
about your
own country
in order to
satisfy the
enquiries of
the other
partners;
- exchanging
the
produced
materials;
- creating two
itineraries
for each
country,
one
concerning
business
tourism and
the other
leisure
tourism;
- evaluating
the
effectiveness
of the
itineraries
and
accepting
any
amendments
from the

- other partners;
- creating a catalogue of the virtual tour operator and a web page with all the work of the partner countries.
